Regular admission rates for the Garden and Children's Garden apply to additional guests. Please understand that additional guests may experience standing room only in the Town Hall.

When I arrive, where should I check in and meet my guests? We recommend that you and your party guests arrive at the Visitor Center at least 30 minutes before the party to allow plenty of time to walk to the Children's Garden. You or a representative from your group should meet and greet your guests outside the Visitor Center entrance, put wristbands on all party guests (both children and adults), and enter together.

How do I get to the Children's Garden? The Children's Garden is located just west of the Climatron® conservatory. Take the right path upon entering the Garden, and look to your right after passing the Climatron®. A map is included in party confirmation packs. Additional maps are available in the Visitor Center and online.

Is there transportation available to take us to the Children's Garden? The Garden is not able to provide transportation from the Visitor Center to the Children's Garden. Wheelchairs, electric scooters, and strollers may be requested in the Visitor Center at the Visitor and Member Services Counter. Some are subject to additional fees and all are subject to availability.

What are the options for transporting my decorations, cake, and gifts? We recommend bringing a stroller or wagon for transporting gifts and supplies to and from the Children's Garden.

Do you provide candles and matches? The Garden is a National Historic Landmark. In order to preserve this historic gem, there is no smoking on the grounds and matches, candles, and fire are prohibited. Many of our birthday parties have found creative alternatives to candles like pinwheels or battery operated musical candles. We appreciate your cooperation.
